Victor Dominguez, Beaumont, CA

Thank you for your involvement and interest in our Tribe. Your membership makes all the difference in the world to me. My name is Victor Dominguez, I reside in Beaumont, CA with my wife Liz and our four beautiful children (three girls and a son). Vanessa my oldest is *Miss Beaumont*, a great honor for her, and my other children Lynette, Anette, and Roman are all proud members of the Tribe.

I am excited by the progress and accomplishments of our current Tribal Council, along with our trusted friend, Jonathan Stein. Their hard work has lead to the CSULB Presidential Scholarship, a new arts and crafts company, Native American monitoring jobs, and a unified voice for our people. Jonathan helped raise \$21 million for the Tribe and we hope he can do so again in 2010.

I wish to add to their accomplishments and join a successful team. I want to represent you and your family as we progress toward our goal of self-reliance. Thank you for your vote in advance and I hope this message finds you in good will and God Bless you and your Families.

OFFICE 5

Incumbent Charles Alvarez, Jr. is age 51 and a Class B member of the Tribe. He resides in West Hills, CA. Charles is running unopposed.

Charles Alvarez, Jr., West Hills, CA

I, Charles Alvarez Jr., am part of this Tribe and would like all members to know that if I am re-elected to the Tribal Council, I will do my best to help the Tribe grow as we learn from one another. To better ourselves and grow into one. To teach all of the future tribal members about our great and magnificent culture that I am so proud to be part of. I am willing to learn and grow with the Tribe, to make sure that we prosper once again.

I am not only looking to improve the value of Tribe to its members, but of this great and promising community as well. I truly believe that this Tribe holds the prospect for greatness and I believe that if we stand together there is nothing that we cannot accomplish. The past is a source of knowledge and the future is a source of hope. Love of the past implies faith in the future and I believe that I can help lead this Tribe towards that future.
